Kia ora, Sherenden and Districts Community,

Only 2 weeks left before we draw to a close on Term 2. School reports will be handed out next Friday and we'll also be sending out information about learning discussions (Interviews) next week as well which will take place in the 2nd week of Term 3. If there is anything in your child's report that you urgently need to contact your child's teacher about, then please do so and don't feel you have to wait until the learning discussions in week 2 of Term 3.

3 years ago we gathered a lot of community voice as part of our community consultation which as a school we have used to shape our school vision, values and direction of the school. Though we won't be going to the depths of the consultation process that we did 3 years ago, we would like to gather parental / community / student voice to help the ongoing shaping and direction of the school. To achieve this in the most time effective manner we would like to invite everyone that can make it to our end of term Gymnastics Carnival on Friday the 5th of July at 1pm. Following this we would like to get parents to join their child's teacher along with a board member to have a bit of a share in relation to a few questions to begin this consultation process. After 30-45minutes (this may take longer) we would then like to invite our parents to have a sausage and bread before students head home to enjoy a couple of weeks of loving from their parents.

Well done to all our students involved in Rippa Rugby yesterday, really great to see our students competing against so many different schools from around Hastings and the manner in which they all got involved and worked as a team (for both teams). It was really impressive to watch.

Enjoy the weekend,
Haisley Robson

Max the Frog

When I got to school there was a frog in the classroom.I decided to name him.His name is Max.He looks golden?Alose he had a bright green stripe on his back.He had spots all over him. He also had a big heed.His body was shaped like a oval.His eyes were dark. By Taylor

Caterpillar family

On Tuesday Honour brought six caterpillars to school. One of the caterpillars was yellow he had an orange face. It had bunches of black hairs sticking out of it. He was not sleeping like the other caterpillars, he was trying to get out of the light pink box. He must 've gotten quite angry when honour pushed him backin to the box. One of the other caterpillars begin to move but then stopped. Then we had to go and do some work. It was very exciting . By Jono

Slug Swamp

Once there were 3 kids. Their names were Logan,Quin and Finn. These kids were inseparable. They loved adventuring into the forest because Finn lived in a cabin. One day, Finn saw his dad with a book. When dad went to work, Finn grabbed the diary and read it. He saw a secret place called Slug Swamp. It was called that because a tree turns into a gigantic slug. He told his friends about it. They went to find it with Finn. They packed their bags and food and set off to find it. The boys found a mysterious cave with a bit of light. They thought it was suspicious. They walked into the cave. When they were half way through a trapdoor opened. They did not read about this in the book. Quin farted in fright. Little did they know that he was an evil lord. He farted out CO2. They were put to sleep and transported to the slug dungeon. The slug emerged from the tree and ate a big chunk of concrete from the wall and, chomp went the slug (name: snapper) and Logan went with him. GULP! Logan went down the monsters throat. So Finn went down the slug's throat to rescue Logan. They heard a crack as they both tickled the slug's belly. They got shot out like a jet plane. They saw that the temple had a big chunk taken out of it. They turned around and standing right in front of them, was a gigantic temple robot. The giant slug jumped on the robots back. The robot grabbed a pile of bricks and dropped them on the slug's head. SMASH! It killed the slug but Quin was secretly a wizard he shouted "diagnley" and a blue fire ball shot out of his hands. The robot had fast reflexes and blocked it. SMASH! The robot hammer fisted Quin to the ground. Finn and Logan had a new friend and they had the best time together. By Noah.

Some pictures of ours students in action at Thursday's Rippa Rugby tournament at Ron Giorgi park. Thank you Donna, Jodi (and all parent helpers) for helping with the Junior team who won 4 games and lost 1 and well done also to our Senior team who won 2 drew 1 and lost 2. Great effort and a lot of fun for all involved.

Omnigym pictures— Our students have now had 3 sessions at Omnigym. Please come along and watch our mini gymnastics carnival on July 5th and see your child in action.
