'Kia ora, Parents/Caregivers.

Firstly, a thank you to our students whose support of 'Jammies for June' enabled 30 new pairs of PJ's to be purchased and helped 30 more children stay warm over winter. The school raised just under \$250 and this support was lucky enough to be mentioned on the 'out and about' page who showed their gratitude for the efforts of our students and community. Another event that will require contributions from the school community will be for the hāngī on the last day of term. Gibby TeNgahue and James MacFarlane will lead the practice for us all but we need to start organising our meat and vegetables for the event. Can you please let Jodi know what you are able to contribute and also how many meals you would like to have. There is no cost for the meals as everyone will be contributing to the food getting prepared and we want everyone to enjoy what will be part of our school's way of acknowledging Matariki and 'te tau hou Māori'.

Earlier this week, the Omnigym visit permission form went out and if you are able to help transport (with the year 1-4's in particular) then that would be greatly appreciated. For our final assembly of the term on Thursday the 29th of June, we are going to do a bit of a gymnastics exhibition of the different classes so they can show you what they have been practising over the last 5 weeks of term. We'll get further information about this and the native planting in the last week of term out closer to the date.
